Scouting Report on himself: I like to drive and get to the basket. I rebound and block shots well. I need to work on my shooting and dribbling skills.

Scouting Report from AAU coach Rick Ellsworth: Alex is your typical stretch 4. Not only can he finish inside above the rim, but can take his defender out to the 3-point line and knock down the shot with that sweet left-handed stroke. Defensively, Alex is a great shot blocker. His timing is phenomenal and his quick explosion is not like many. Alex has barely reached the surface of how good he's going to be. He has the frame to put on 20 or 30 pounds at the next level and be a very solid college player.

On playing for Indiana Elite: It's been really fun. I love the competition that we face every single weekend. It's been a great experience for me to play with IE this year.

Best game ever: The Rochester game. We shot 4-of-20 in the first half and were down by 19 at one time in the 3rd. I scored 19 points in the second half and we ended up winning by 7. I had 21 points, 12 rebounds and 8 blocks.
