Scouting Report on himself: I feel like I run the floor very well to get easy fast break points, but I need to improve my confidence level.

Scouting Report from AAU coach Justin Albers: Erick is a gifted player out of the post, even if he is a bit undersized. He has a unique combination of patience and quickness, and he's a gifted passer out of the post. He is working to expand his range and become more versatile, and when he does, he'll be even more difficult to guard.

On playing for Indiana Elite: I'm having a great time on and off the court with my teammates. We get along very, very well and finally built up the chemistry that we need.

Best game ever: My best game was against Evansville Harrison my freshman year. I felt like I was doing everything in the game — points, rebounding, assists, blocks, fast breaks — but mostly it's my favorite game because I had fun.
