Scouting Report on himself: If I had to describe my skill set I would say I'm a scoring PG but a willing passer. I'm able to get to the rim well for my height and finish, pull-up, and also have a deep threat. I work well off the pick and roll and I always want to be the loudest kid on the floor. Overall I want to improve my rebounding and on ball defense.

Scouting Report from AAU coach Kristof Kendrick: At 6'0, he is a combo guard who can score in a variety of ways and also set teammates up. The kid is just very productive every time he plays, gives 100% every possession and will play himself to exhaustion. Yet another kid who make a coach very happy in college.

On playing for Indiana Elite: IE this year has been absolutely great. I'm so thankful for the opportunity that Kristof and Frank have given me the past couple years and it has really started to pay off with my recruitment. This year our team has really gelled together more than any other AAU team I've been apart of and it's really paying dividends for us on the court. Everybody is unselfish and it's gotten everyone on the team a lot of college looks, which is what's is all about.

Best game ever: This year against Eastern (Greentown) I finished the game with 38 points, 10 rebounds and 5 steals. We won 66-57 and I believe I was 28 for 34 from the free throw line. It was a small rivalry game for us so we went into the game really wanting the win.
