Scouting Report on himself: I like to throw dimes, shoot, and just make my team better. I think I need to work on my pull-up and full court defense.

Scouting Report from AAU coach Kristof Kendrick: Quick, pass-first PG who can also score it himself. Other kids like playing with him because of his unselfishness. I'd expect him to play really well in July, much like he did last year.

On playing for Indiana Elite: I'm really glad I got the opportunity to play with IU. It's been a great ride. I love my coaching staff and my teammates, and it's a great program to be part of.

Best game ever: I think my best game was when we played the Spartans at Noblesville. I had 19 and I had my first dunk of the summer that game.
