

Name: Elijah Miller, G, Culver Academy

Size: 6'0

Team: Indiana Elite 2016 Central

Offers: N/A

Interest: IPFW

High school stats: 19.6 ppg, 7.3 apg, 5.3 rpg, 2.3 spg

Scouting Report on himself: I'm a pass first point guard. I think my passing is my best attribute. I led the state in assists this year. I need to improve on shooting overall. Off the dribble and spot up and also i need to bulk up my body for the college level.

I also like to pressure the ball on defense and create easy transition opportunities by getting steals and deflections.

Scouting Report from AAU coach Kristof Kendrick: Quick PG who has a great knack for getting in the lane and finishing over taller players, and setting teammates up. Led the state in assists the last 2 years. Has shown dramatic improvement in his 3 point shooting ability. Can knock down mid range-3's consistently.

On playing for Indiana Elite: It's more intense, especially since we're Indiana Elite. Teams always play their hardest whenever they go up against us. Other than that, It's been a humbling experience to get a chance to play with a great group of guys with a lot of talent. Throughout the whole AAU season, my teammates eventually turn into my brothers from the time spent on road trips and in the hotel rooms.

Best game ever: My best game was when we played in Ohio against John Glenn. I remember we were down 10 going into the fourth quarter and won by 6. I finished the game with 33 points, 11 assists and 13 rebounds. I scored 19 points in the fourth quarter.
