**Team:** Indiana Elite Magic 2016

**Offers:** N/A

**Favorite Player:** Derrick Rose

**Scouting Report on himself:** I'm a really good on-ball defender, I'm a tough player, I can get to the basket very easily. I'm a good ball handler and fast but I would say I need more work on my shot.

**Scouting Report from AAU coach Rick Ellsworth:** Tiernan is a true point guard. He is a born leader on and off the court. Tiernan's ball handling and willingness to distribute to other players is a key to his game. His strength allows him to be able to finish at the rim against bigger players. He's also a great rebounder for a point guard. Defensively, he is dominant. He rattles other teams' guards and his anticipation is off the chart.

**On playing for Indiana Elite:** It's been a great experience and I love playing with this group of guys. I made a lot of friends on the team and playing with Indiana Elite has given me a lot of exposure as well. I really like all the coaches, especially coach Kendrick and coach Ellsworth, who have been by my side the whole time. Glad to be part of it.

**Best game ever:** Last year our IE team was playing the Michigan Mustangs at Carmel and I was having a great game because I didn't want to lose. My teammate tweeted out and swore I had 57, but I probably had closer to 40.
