

**Name:** Franklin Nunn, G, Liberty Christian

**Size:** 6'3

**Team:** Indiana Elite Magic 2016

**Offers:** Grace College

**Interest:** Indiana Wesleyan, Mercer University, Western Illinois, Ferris State, Lake Erie, IUPUI

**High school stats:** 18.7 ppg, 7.4 rpg, 2.2 spg, 1.8 apg, 1.1 bpg

**Favorite Player:** LeBron James

**Scouting Report on himself:** Quick first step and very explosive around the rim and blocking shots at the rim. Smooth mid-range jump shot, improving from 3-point range. Need improvement on finishing strong at the rim, going left, and hitting the 3 ball consistently.

**Scouting Report from AAU coach Rick Ellsworth:** Franklin is a freak athlete. With a vertical jump up over 40 inches, he finishes at the rim with major authority. He has improved his shooting the last couple of years, which makes him a viable threat. In transition with Franklin on the wing, he can score in many different ways. Defensively, he's underrated at 6-3. He can defend any position on the floor.

**On playing for Indiana Elite:** It's been great. I love playing with guys that I'm close with and we have a good team. We made it pretty far in a couple of big tournaments, just never could pull it out. I'm sure July will be different and we can start to make names for ourselves and pick up offers.

**Best game ever:** Well, I probably have two. On the middle school level in 8th grade, I had 45 points and 22 rebounds against Elwood. In high school, I have to say my best game was against Harvest Prep from Ohio when I had 35 points, 8 boards and two dunks. We won off a buzzer beater I passed to a teammate. They were ranked pretty high in Ohio.
